

## To All Addus Caregivers:

While it seems like facts related to COVID-19 change daily with one report or another, the very important details of keeping our families, clients, and ourselves safe during this trying time, remain unchanged.

Please refer back to the policies and procedures provided to you on this page to keep the information fresh and top of mind as you go about the business of your day.

Be Well and Stay Safe

## Nothing Has Changed As to The Following So Please:

- Prescreen daily and if you answer yes or are sick contact your branch immediately before seeing your first client
- Wear a surgical ear loop mask when providing any client services. Your client should wear a face covering unless unable to do so
- Wear a face covering in public settings, such as stores or public transportation
- Social distance at least 6 feet whenever and wherever possible
- Wash your hands with soap and water for 20 seconds – often or use hand sanitizer (60% alcohol)
- Wipe down surfaces after use
- Avoid events where there are crowds and social distancing is not possible
- Get proper rest
- Take care of yourself
