

To All Addus Caregivers:

## **Thank You For Everything!**

We wanted to take a moment and thank you for everything you have done during this difficult time. The services you provide are extremely crucial, even more so during times like these. We are constantly working to ensure you have all of the support and supplies needed to perform your duties every day!

## **Russian and Spanish Weekly and Bi-Weekly Questionnaires now available and posted!**

Russian and Spanish versions of the Weekly and Bi-Weekly Pay Questionnaires are now available! They are located [on the Addus Caregiver Coronavirus Resource Center](#), under “Pre-Screen Questionnaires”.

## **Reminder: You are Essential Workers**

Across the country, many states and counties are calling for residents to “Shelter in Place”, which means that everyone is to stay at home unless you are going to certain locations or if you work in a job considered “essential”

We have had many questions about this and want to restate that **your position is considered essential and you will be allowed to travel to and from clients during this time.**

We have created Emergency Passage Letters for all Addus Brands. Employees can use these in the event that you need to show that you are essential and have the ability to leave your home to serve clients. These Emergency Passage Letters can be found [on the Addus Caregiver Coronavirus Resource Center](#) under “Emergency Passage Letters”.

Please continue to check the [Caregiver COVID-19 Update Center on Addus.com](#) daily for updates!

Thanks,  
Addus Leadership Team
